

Monkey's Paw Alphabetical Title List: September, 2007

The titles on this list are acceptable fodder for the Monkey's Paw Detournement Tournament. Please note however that the list is not exhaustive, as some classes of stock (i.e. pamphlets in series) are not catalogued individually by title. Also be aware that initial articles (a, an, the) are omitted; to determine conclusively whether a given title carries an initial article, please check our shelves.
